## Summer Camp USA for Adults

Do you remember going to summer camp when you were a kid? Suddenly you grew up and it became uncool to do this any more.

Now it's not uncool to go to summer camp. Right across the USA there are now summer camps for adults! The result is thousands and thousands of Americans are suddenly rediscovering their long lost youth. They also have a great time!

One such example is at *Camp Throwback* that's based at Clarksville, Ohio, USA. This is one of many such camps that has popped up right across the USA. It was launched last year by Britany Gibbons, who was inspired by the summers of her childhood. What a great idea!

Campers can compete in watermelon contests, make friendship bracelets, and meet in the mess hall. Now as adults they can also drink alcohol and have nightly parties.

Another such summer camp is called *Camp No Counsellors*. Based in Nashville, Los Angeles, New York and Chicago this company offers adults three-day escapes.

There is one major rule in camps: No asking about work! Another requires men and women to sleep in separate cabins. However, that doesn't appear to stop romance blossoming!

The camps provide everything except alcohol. It's BYOB! (Bring Your Own Beer☺). Drinking in some races is optional, which makes it a bit more adult. Certainly it could make the three-legged race a lot more interesting!

From arts and crafts to swimming pool assault courses, as well as the end of day campfire singalong, it's all here for those adults yearning for their lost youth. For those adults who crave a bit of fun, why not?
